**Re:** Early Childhood Special Education Stretch Calendars for the 2026-2027 School Year

**Notes:**

These calendars affect the Birth-to-Three Early Childhood Special Education Program and Evaluation Team. Services for infants and toddlers are provided through an Individual Family Services Plan (IFSP) and referrals are taken by the Birth-to-Three Early Childhood Special Education Program year-round. Legal mandates require that an evaluation for program eligibility occur within 45 calendar days of the referral and that services start without delay. These calendars have been developed in order for the program staff to meet these timelines. These calendars reflect the same number of contracted staff-work days “stretched” across the entire year to limit the length of breaks. The professional development and conference days have been aligned with the district school calendar to facilitate collaboration with other district programs.
