Student Handbook Revisions

- Removed the two-page high school staff listing instead referring readers to the staff directory on the school website.
- Modified the activity code requiring students to attend 7 periods of the day and the entire afternoon on event days. Also clarified that quarter grades are what count for grade requirements for participation. Finally, changed the code to not allow ineligible students to travel with the team to contests.
- Added FBLA to the activities listing.
- Changed the excused absence makeup time to be consistent with the middle school policy.
- Changed the Bus Rules & Regulations to reflect PBIS implementation.
- Decreased the wordiness in the Counseling Services section.
- Removed the “P” and “W” from the grading system – these were not used.
- Updated the graduation requirements to reflect board policy.
- Added the PBIS section
- Added the last day to make schedule changes each semester to the Course Registration section
- Added “school owned electronic devices” to the School (Student) Withdrawal section
- Modified the Study Hall section to reflect the new RtI time
- Changed the threshold for a major tardy infraction from three (3) tardies per semester in an individual class to three (3) tardies in any class over a 30-day timeframe.
- Added a revocation clause to the work study section.
