### Priest River Development Corporation (PRDC) District Office

#### Background:

The Junior High School Task Force approached the PRDC to assist with the funding for the renovation of the Junior High Annex. The Annex is an effort by the Task Force to get the community involved with positive engagement with its school system. The PDRC has restrictions on its tax exempt status as it can only use its funds in a manner that aligns with its charter. Kendra Salesy, Business Manager, and I met to discuss possibilities for the current district office. Our discussion entertained the possibility to sell the property to the CDRC. The proceeds of the sale to the PDRC could be utilized for construction on the Annex. This would serve the aim of the Task Force and help reduce the district footprint.

#### Recommendation:

Pursue this option with the PRDC.
