**CONNECTION TO THE DISTRICT STRATEGIC PLAN:**

This purchase is in keeping with the Lansing School District's mission of upgrading facilities and equipment to be current and usable for the future, as well as protecting the school district's assets.

**COMMENTS:**

There is a critical need to replace the existing service equipment due to the deteriorating condition of the vehicles and rising maintenance costs. These vehicles are essential for maintaining buildings and grounds and have significantly exceeded their useful life. All units are over 10 years old and in very poor condition, making them unsafe for continued use.

**CONSIDERATION OF LOCAL, MINORITY, AND FEMALE OWNED VENDORS:**

The district purchasing office reviews and approves of vetted vendors and cooperative contracts.
