Subject:

Consider Approval of FC(LOCAL) School Attendance Areas - FIRST READING

Background:

This policy was reviewed at the July policy committee meeting as part of the District's five-year review process. The recommended changes made at Boundary Revisions and Growth Projections replace "growth patterns" with "enrollment patterns". The term of school boundary advisory committee (SBAC) members is changed from two consecutive committees to two-year terms. Finally, the heading Emergency Provision is replaced with Exception to grant the Board the authority to review and approve boundary changes without following the SBAC process when the Board determines such action to be in the District's best interests or to address an emergency situation.

Superintendent's Recommendation:

It is the recommendation of the Superintendent to accept the first reading of FC(LOCAL) School Attendance Areas, recognizing that acceptance of the first reading does not constitute approval of the policy and that staff plans to bring to the Board for consideration a second reading of a version of the proposed policy for approval.
