Re: Band increase

The HS band position held by Laura Boillat is currently a 0.5 position. I recommend the board approve a move to 0.6 Band and 0.4 in house sub to equal a 1.0 position, effective 25-26 school year. The 0.4 in house sub position will be paid at the in house sub rate and the 0.6 at her regular contracted rate.

Thank you,
