ALL IN... ALL CAVS

A Note from Principal Miller:

Dear Fleming Families,

November is one of my favorite months of the year as the cold weather sets in and the scenery around us changes. As we look back at the last two months a lot of awesome things have already happened at Fleming Middle School and we can't wait to see what is in store for November. Our wonderful staff has made it a priority to build relationships with all students as you see staff greeting students in the morning and hanging out at intramurals and lunchtime. Our front office staff has worked extremely hard with communication and supporting all Fleming Middle School families and I am very grateful for their dedication.

The Fleming staff has been amazing this year as we continue to build our Culture of Care and Professional Learning Communities while integrating **"ALL IN...ALL CAVS"** motto into our everyday life at Fleming. We will continue to provide support for all students as they learn, discover, process, laugh and are intellectually challenged each day.

Fleming just ended our Fall Sports Season and I would like to thank all our coaches and volunteers for their time and effort this season in making it a positive experience for our student athletes.

We really need all students to be on time, be prepared to learn and stay all day.

** Our 1st quarter attendance rate was 90.88%. Our goal is 94% at Fleming so if your child is sick and will be absent, please call and excuse them. This helps our attendance rate.

** I am encouraging all parents to check ParentVue and have a conversation with your child about their grades and attendance. Grades are updated each week so if your child has missing assignments then they need to stay in CAV TIME.

**** Check out our new website for information regarding FMS.**
