LaGrone Academy Cosmetology Program Supports Back-to-School Fairs

Denton ISD is proud to recognize the LaGrone Academy Cosmetology Program for its outstanding service to the community during this year's Back-to-School Fairs at LaGrone Academy and Braswell High School. Students and staff generously volunteered their time and talents to provide free haircuts to Denton ISD students, helping them begin the school year with confidence while easing the financial burden on parents and families. Their professionalism, compassion, and commitment to serving others exemplify the spirit of Denton ISD and demonstrate the meaningful impact career and technical education can have beyond the classroom.
