Re: Recommendation to hire the following:

- **Sladjana Radicevic (Elizabeth Ide Para Professional)**

I am pleased to recommend Sladjana Radicevic for the 2026–2027 school year.

Throughout the interview process, the candidate demonstrated a genuine enthusiasm for working with children and a strong desire to contribute positively to our school community. In speaking with her references, it was evident that she is caring, dependable, and committed to supporting the needs of others. Additionally, as a parent within our learning community, she has experienced firsthand the supportive and student-centered culture that makes Elizabeth Ide such a special place.

Thank you for your consideration.
