

Osprey Wilds Renewal Process

Renewal Evaluation Process & Timeline

The Osprey Wilds Environmental Learning Center (Osprey Wilds) will conduct a thorough evaluation of the school's performance as it relates to the goals and expectations outlined in the charter contract. Osprey Wilds will review the school's academic, environmental education, financial, governance, and operations performance over the course of the current contract, and learn more about the school's future direction through the school's application for renewal. Some key activities and timelines are included in the table below.

Date	Activity	Additional Information
April	Board Presentation	Osprey Wilds attends a school board meeting to present the renewal process.
May 1	Introductory Email	Osprey Wilds sends an email to the school outlining the renewal process, including the school's specific requirements for its renewal application.
September 15	Renewal Application Due	School must submit completed renewal application to Osprey Wilds.
September- November	Renewal Site Visit	Osprey Wilds sends an evaluation team for a full day renewal site visit.
By mid-January (tentative, and approximate)	Preliminary Renewal Evaluation Report	Osprey Wilds sends preliminary renewal evaluation to school for review and comment.
By late January / early February	Renewal Evaluation Report Comments Due	School submits any comments to Osprey Wilds regarding renewal evaluation.
By mid-February	FINAL Renewal Evaluation Report	Osprey Wilds Charter School Division staff completes final renewal evaluation and recommendation and forwards to Charter School Committee.
By early March	Charter School Committee	Osprey Wilds Charter School Committee reviews renewal evaluation report and makes recommendation to Osprey Wilds Board.
By mid-March	Renewal Decision	Osprey Wilds Board of Directors takes action on school's charter renewal.
By end of March	Renewal Decision Communicated	Osprey Wilds communicates the renewal decision in writing to school board.
