Re: Approve the FY27 Substitute Daily Rate

Recommendation:

It is the recommendation of the Director of Business Services/CSBO to approve the FY27 Substitute Daily Rate.

Background Information:

During the FY26 school year the substitute daily rate was \$135 and then increased to \$140 after 15 plus days of work. To remain competitive with other districts it is recommended that for the FY27 school year we increase the daily substitute rate to \$145 per day and \$150 after 15 days of work.
