Elementary Principal's Report

'Tis the Season For: Fun!

We certainly do a lot at Unity Elementary - Reading, Writing, Mathematics, Science...and more. But we also have a lot of fun! Students this Holiday season have sure enjoyed various activities - from our **1st Annual Turkey Trot** (congratulations Kindergarteners for winning with over 600 laps!), to our 1st grade **I am Thankful Concert**, to our **PK Pool Luau**, and now our upcoming **Holiday movie day** in the gym - we make school and learning fun!

Thank You to the Medical Professionals in our Community

Learning recently of all the extra stress, additional hours, and difficulty this season in our local hospital, the Unity Elementary Student Council organized a special way to say thank you with notes and a gift tray. We couldn't be prouder of these kids - yay to go!

Food Drive:

Each year the Elementary Student Council organizes a food drive before Christmas Break to get extra stocks ready for any families in need. Please send items to school with your child, or drop off in the elementary office.

Christmas Gifts:

Thank you to Mrs. Kaija Hikel for her tireless organizing efforts for the Christmas Gift donations for our community - over 100 children are receiving the gifts they wanted and need due to this program, and we appreciate all of our shoppers and especially her work.
