Hi Janet,

Thanks for the proposal. I was able to connect with Alissa and review the calendar to make a plan for the summer contract. Knowing you are busy with summer school, I think we could find 21 days at 6.75 hours/day for a total of 141.75 hours. I looked at the dates of June 22-24, June 29- July 1, July 20-22, 27-29, Aug. 3-5, 10-12, 17-19. These are simply M-W, but we can adjust as needed. If you want to connect or talk more, let me know. I'd like to have this on the May board meeting agenda, so let me know if you are agreeable to the plan.
