Background Information:

The goal of the program is to improve graduation rates for students who are in danger of dropping out of school, have dropped out, or are behind in core subject courses

The OFSDP is a program authorized under the Texas Education Code (TEC), §29.0822, and 19 Texas Administrative Code (TAC), §129.1027 that La Vega ISD may offer to provide flexible hours and days of attendance for students in any grade who meet one of the following criteria:

- the student is at risk of dropping out of school, as defined by the TEC, §29.081;
- the student, as a result of attendance requirements under the TEC, §25.092, will be denied credit for one or more classes in which the student has been enrolled;
- the student is attending a campus with an approved early college high school program designation;
- the student is attending a campus implementing an approved innovative campus plan; or
- the student is attending a community-based dropout recovery education program, as defined by TEC, §29.081 (e-1) or (e-2).

Annually, the Board of Trustees reviews the progress of the Success Academy and flexible attendance program and procedures to determine if continuation of the program is warranted. At the June meeting, the board heard about the 2025-26 program progress and students' progress to date for the 2025-26 school year. The board agreed that the progress was significant enough to continue offering the program.
