

Similarly to the teacher evaluation policy, this one is due to the state before temporary rule becomes permanent. We will receive a policy similar to this once the rule is made permanent.

*Effective administrators are responsible for the collective success of their schools, including the learning, growth, and achievement of both students and staff. Soda Springs School District No. 150 adopts this policy for principal performance evaluations. Multiple measures are utilized in which the evaluation criteria and procedures are research based and aligned to the minimum applicable state adopted standards. The District's administrators evaluation plan will be updated annually and will allow input from stakeholders.*

## **DEFINITIONS**

“principal” is an employee assigned to administrative duties as a principal or vice principal, has met all of the school principal endorsement requirements for Pre-K-12, and has been issued an administrator certificate with a principal endorsement.

## **PURPOSE OF EVALUATIONS**

*The purpose for conducting administrative evaluations is to assist in identifying employee strengths and weaknesses while providing direction and support for continued learning and professional development. Evaluations may also be used to document areas of improvement and to make decisions regarding personnel actions.*

All school and school district administrators will receive an annual evaluation. Individuals serving in the capacity of a school district superintendent and principal shall be evaluated based on the school district evaluation policy for superintendents. For principal and other school level administrators, performance evaluations will be conducted using multiple measures in which criteria and procedures are researched based and aligned to the standards and requirements outlined in SBOE rule.

## **EVALUATION MODEL**

This district's principal and school level administrator evaluation model is aligned to state minimum standards based on the Interstate School Leaders Licensure Consortium (ISLLC) standards and include proof of proficiency in conducting teacher evaluations using the states framework for evaluation, the Charlotte Danielson Framework for Teaching Second Edition. Proof of proficiency in evaluating teacher performance shall be required of all individuals assigned the responsibility for observing, or evaluating certificated personnel performance.

1. Parent/guardian input;
2. Teacher input;
3. Student input; and/or
4. Portfolios.

**Student Achievement —33% of Evaluation Results (District 33%)**

~~At least thirty three percent (33%)All administrators will receive an evaluation in which part of the summative evaluation results are based on multiple objective measures of growth in measurable student achievement, as defined in Section 33-1001, Idaho Code. This portion of the evaluation may be calculated using current and/or the immediate past year's data and may use one (1) or both years data. Growth in student achievement may be considered as an optional measure for all school based and district based administrators. the evaluation for all administrators will consist of evaluation results based on multiple objective measures of growth in student achievement, as determined by the board of trustees and based upon research. Growth in student achievement as measured by Idaho's statewide student achievement test will be included. In the event student data relating to Idaho's standards achievement test has not been received by the district within thirty (30) days of the deadline to complete the formal written evaluation for district employees, the district shall use one (1) of the other objective measures of growth in student achievement (STAR K-12 or End of Course Assessments 9-12) as determined by the board of trustees, not including Idaho's standards achievement test, in order to complete the required student achievement component of performance evaluations.~~

## EVALUATION PROCEDURES

*To ensure that all principals are evaluated on a fair and consistent basis, each principal will be evaluated at least once annually no later than June 1 of each year. The evaluation will include a minimum of two (2) documented observations, one (1) of which will be completed prior to January 1 of each year.*

*Prior to the start of the school year, the principal will fill out a self-assessment and create a professional growth plan. The self-assessment and professional growth plan will be submitted to the evaluator prior to beginning of the year conference. At the beginning of the year conference, the evaluator will review and discuss the principal's self-assessment and professional growth plan, previous student growth measures and expected student growth measures for the upcoming year, previous student achievement data, and parent/guardian input. The evaluator will notify the principal of the factors that will be utilized in measuring effectiveness.*

*Prior to January 1, the evaluator will conduct a documented observation and provide feedback on the principal's performance for the year thus far. The evaluator will also review and discuss progress toward the principal's professional growth plan and work with the principal to make adjustments accordingly.*

*At the end of the year, the evaluator and principal will review and discuss the principal's professional growth plan and the achievement of set goals, student achievement data, and parent/guardian input. The evaluator will provide feedback on the principal's performance for the year and assign a final effectiveness rating.*

No contract shall be issued for the next ensuing year until such time as the principal's formal written performance evaluation has been completed.

**COMMUNICATION OF RESULTS**

*A copy of each written evaluation will be submitted to the principal within five (5) school days following the formal evaluation. The principal will have the opportunity to attach a response to his or her evaluation within twenty-one (21) calendar days.*

Administrator personnel evaluations will be considered permanent records and will be maintained in each administrator's personnel file. All evaluation records will be kept confidential as required by state and federal law. The rankings of individual certificated personnel evaluations will be reported annually to the SDE as required for state and federal reporting purposes.

**PERSONNEL ACTIONS**

*The following actions may result from the evaluation process if determined to be appropriate:*

1. *A letter of reprimand;*
2. *Renewal of employment contract;*
3. *A period of probation;*
4. *Reassignment;*
5. *Immediate discharge (where a period of probation is not required as determined below);*
6. *Renewal of the employment contract under a continued probationary status; and/or*

*An employee who is placed on probation, immediately discharged, or not reemployed is entitled to full due process rights as provided by Idaho Code Sections 33-513 through 33-515.*

### **MONITORING AND EVALUATION**

~~The superintendent or designee is responsible for ensuring that the evaluation process is in compliance with state requirements and implemented consistently. The superintendent or designee will continually review and develop the district's personnel evaluation system taking into account input from trustees, administrators, teachers, and parents where appropriate. Any changes to the district's evaluation model will be approved by the board of trustees and submitted to the SDE for approval.~~

### **PROFESSIONAL DEVELOPMENT AND TRAINING**

The district will provide ongoing training for evaluators/administrators and teachers regarding the evaluation standards, tools, and processes. All individuals responsible for evaluating certificated instructional staff and pupil personnel performance will receive training in conducting observations and evaluating effective teacher performance.

Additional staff training and professional development opportunities will be provided throughout the year on an as needed basis to provide principals with the tools necessary to be effective administrators.

### **FUNDING**

Funding will be allotted for the ongoing training and professional development.

### **COLLECTING AND USING DATA**

Aggregate data will be considered part of this district's and its individual schools' needs assessment in determining professional development offerings. The district will report the rankings of individual certificated personnel evaluations to the SDE annually for state and federal reporting purposes.

### **INDIVIDUALIZED PRINCIPAL EVALUATION RATING SYSTEM**

Evaluations will be used to identify employee proficiency and record professional growth over time. The individualized teacher rating system will have a minimum of three (3) rankings (District uses four (4)) used to differentiate performance of teachers and pupil personnel certificate holders including:

- a. Unsatisfactory = 1
- b. Basic = 2
