Digital Subscription Terms

Digital subscription terms: With respect to each product, the number of licenses allocated to you will be determined by multiplying the quantity purchased by the number of uses (where use = year). [Example: 100 units of a 6-use product = 600 licenses.]

Access to each title will expire on the first to occur of (1) all purchased units which would be available over the course of the number of uses have been utilized, or (2) the number of uses has transpired utilizing the following calculation: utilizing August 1 as the start of a new year, (i) If the invoice date falls between January 1 and September 30, the end date of the subscription term shall be calculated as the invoice year plus the number of uses indicated [Example: 100 units of a 6-use product is invoiced on April 15, 2023. The end date based on uses purchased = July 31, 2029]; and (ii) If the invoice date falls between October 1 and December 31, the end date of the subscription term shall be calculated as invoice year plus the number of uses indicated + 1. [Example: 100 units of a 6-use product is invoiced on November 15, 2023. The end date based on uses purchased = July 31, 2030.]

For complete subscription terms, see bfwpub.com/subscription-terms. Your issuance of a purchase order based on this quote or your payment for the courseware subscription signifies your affirmative understanding and acceptance of these terms.

License uses are not restricted during your subscription term, so as not to inhibit or impede the learning process, but all uses will count toward your purchase quantity based on the above calculation. If you exceed the quantity purchased, you will receive an invoice for the number of licenses used beyond those purchased.

The New Edition Option: If chosen at the time of initial purchase, the New Edition option permits the one-time option to upgrade to a new courseware edition at any time within your active courseware subscription term. It is your responsibility to inform your BFW representative when you are ready to proceed with the upgrade. The New Edition Option does not apply to e-books and applies exclusively to digital courseware and not print products.
