Re: Middle School Report

- We had a very smooth finish to the school year. The staff did a great job of engaging students to the end of the year. The atmosphere was very positive and energetic.
- 8th grade had a successful and fun celebration to their completion middle school with their Valley Fair trip on May 30th.
- No summer school will take place due to staffing and very low turnout in previous years. Four students were brought back this week to complete work to due to failing a core class and completed their Minimum Outcome work.
- Staffing: Special Ed. position remains unfilled
- The 2024-25 schedule is on hold. I am currently working on a draft that would allow for potential options depending on the outcome of the music position.

If you have any questions about these activities or anything else please feel free to contact me.
