Color plays a key role in interior design and the Tarkett Solution SPECTrum™. By coordinating all flooring and accessory solutions across a balanced, harmonized palette, we've combined simplicity with creative freedom to help you create beautiful, productive spaces.

The palette is organized with our Color Foundations system, which helps you coordinate colors across the entire Tarkett portfolio. There are hundreds of choices in six neutral palettes and one guarantee: you'll always have color coordinating options within each palette, now and into the future. Guaranteed.

Key: WB (Warm Beige), CB (Cool Beige), WG (Warm Grey), CG (Cool Grey), B (Black), W (White)

Customization:

When you don't see the exact color you need, create it. We offer customized colors with quick lead times and low minimums. Contact your local Tarkett representative to get started.

ColorMatch®:

This designer palette of leading colors is coordinated across multiple product categories with no dye lots... ever! Our rigorous manufacturing and quality standards enable you to confidently mix and match a color across all Johnsonite rubber flooring products, finishing borders and finishing accessories.
