Subject: Parade Route Request

Sue,

Hello! We are changing things up this year! We would like to have the parade go down main street Bennet if possible.

Attached you will see our proposed route. We made sure traffic can still get in and out of Bennet. The participants will line up on Cottonwood St. The parade will start at 1000 on the 4th and we are expecting it to only last 30 minutes.

Here is the link where we found the info about requesting highway closures. If we decide to go this route, do we need to fill out any of the forms on this website or does the city of Bennet have any forms that we need to fill out?

<https://www.lancaster.ne.gov/495/Special-Events-Permit>

We will be asking for more volunteers on Facebook. If we get more volunteers, and if the city agrees to this route, we will for sure move the parade route.

Let me know if you have any questions.

Lillie
