Bank OZK Grand Opening

Watson Chapel Math Lab Experience

Team Horace

By Thursday teacher will enhance student understanding by encouraging students to connect models, drawings, + equations during class discussions + independent practice.

Key Layers
Extending → Student practice
Adding → Math instructional practices

Team Horace

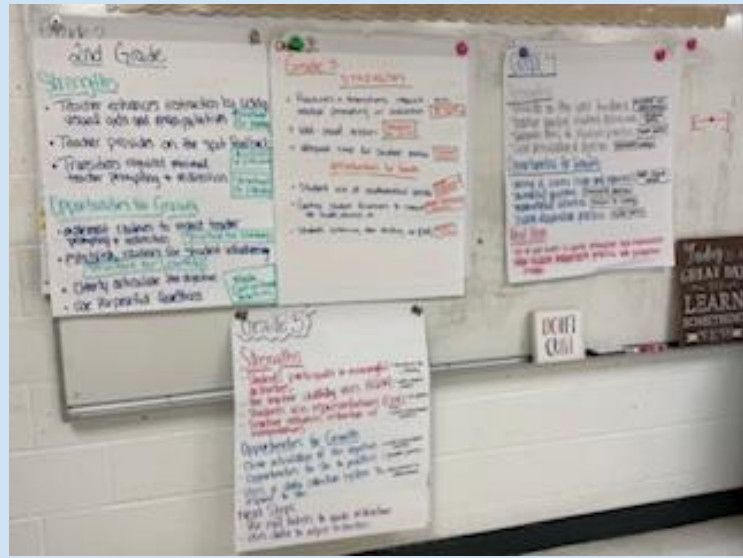

Areas of Strengths:

- Lesson aligned w scope + Sequence **M.A.E.**
- Routines + transitions require **S.P.I.** **Justifying**
- Open ended questions **M.I.P.**
- mathematical vocab by **M.I.P.** **T + S**
*Teacher **S.P.I.** **math** + **com** to **teach***

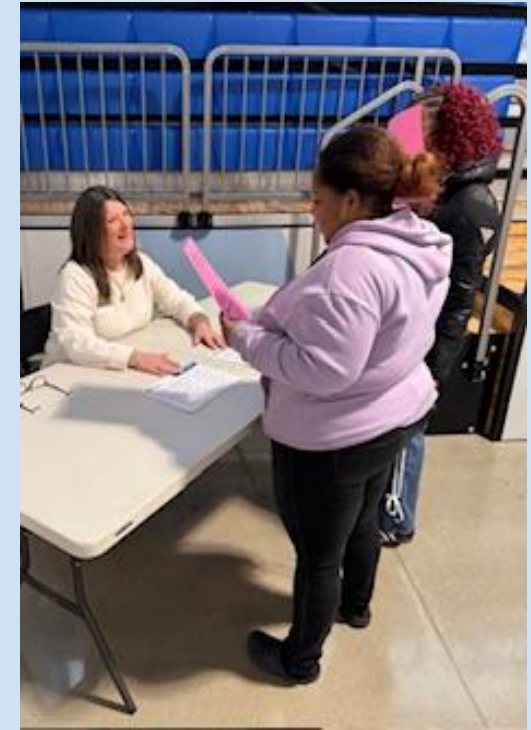

Opportunities of Growth:

- * Connecting CRA for understanding **M.I.P.**
- * adequate time for student practice **S.P.**
- visual aids + manipulatives to enhance instruction **M.T.P.**
