Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and

### CORRESPONDENCE

**Community Engagement/Input Meetings** – Mr. Kyle Laier with Assist Education Services LLC will share his role in helping us through the next steps in our Long-Range Facility Planning. He will have a presentation for you at the Board meeting, and will be working with our committee at 4pm, prior to that meeting.

I have not yet set meetings for a Superintendent Coffee/Breakfast/Lunch to provide patrons another opportunity for communication and input on district matters. I will work to set these up and have them in place starting in late August. More to come.

### BOARD

**Aaron's Work** – This month Aaron has been working on staffing issues, preparing and presenting Family Academy informational/recruitment meetings, ODE reporting, budget preparation, and long range planning for facilities and early childhood learning options. He is also completing evaluations, wrapping up this year, and planning for next.

**Individual Board Member/Superintendent Meetings:** Please set a time.

**Aaron's Vacation Days** – I have 17 days banked for this year. 12 days for this year's contract, plus five days rolled over from last year. I am requesting to have five of those days rolled over to 2027-28, and be paid for the remaining 12 I did not use.
