Background Information

In 2017 the State Legislature amended Education Code 11.159(b). A trustee must complete any training required by the State Board of Education. The minutes of the last regular meeting of the board of trustees held before an election of trustees must reflect whether each trustee has met or is deficient in meeting the training required for the trustee as of the first anniversary of the date of the trustee's election or appointment. If the minutes reflect that a trustee is deficient, the district shall post the minutes on the district's Internet website within 10 business days of the meeting and maintain the posting until the trustee meets the requirements.

A copy of the requirements and a list of the credited hours earned by each Board Member are attached for review.
