*Superintendent of Schools*

To: RIMSD 41 Board of Education  
From: Dr. Sharon Williams  
Cabinet Champion: Scott Vance, Assistant Superintendent for Teaching and Learning  
Date: May 12, 2026  
Re: Imagine Learning Annual Curriculum Renewal

The Teaching and Learning department annually purchases materials, digital licenses, and instructional professional development in support of the approved Rock Island-Milan School District curriculum.

The digital components are the online teacher and/or student access to the curriculum as well as intervention materials for math, reading, and science. Listed below are the details for this annual renewal:

**Imagine Learning: \$62,284.61**

- Math Digital Coursework (Grades 6-8): \$33,264.87
- Math Workbooks (Grades 6-8): \$22,619.74
- Instructional Professional Development: \$3,900
- My Path Reading and Math Licenses: \$2,500.00

Illustrative Mathematics from Imagine Learning is the approved 6-8 grade core math curriculum. Using a collaborative approach to mathematical instruction, Illustrative Math encourages students to talk and write about math, listen to the ideas of their peers regarding mathematics, and to critique the reasoning of others in an attempt to further develop their understanding of mathematics.

**It is recommended that the Board of Education approve the purchase of curriculum materials and digital licenses at a total cost of \$62,284.61 from Imagine Learning, 100 South Mill Avenue, Suite 1700, Tempe, AZ.**

**Investment Period: July 1, 2026 - June 30, 2027**  
**Total Investment: \$62,284.61**  
**Funding Source: Federal Funds**
