

November 11, 2021

Welch Board of Education,

I would like your permission to take students in grades P K and K who meet their second nine weeks AR (accelerated reader) Literacy Goals out of state to Joplin, Mo. They will be going to the Ocean Adventures Indoor Jumping Playground. The trip is scheduled for December 15, 2021. They will return before classes are dismissed.

I would also like your permission to take the students in grades 1st – 5th to the Victory Ministry Sporting Complex in Joplin, Mo. on December 14, 2021. This is also a reward trip for meeting their second nine weeks AR goals. Thank you for your consideration in this matter.

Thank you,
Mrs. Hall
