

## **PRESENTATION OF DISTRICT IMPROVEMENT PLAN 2026-2027**

Dr. Robert C. Trejo, Chief Academic Officer, will present the process utilized in developing the District Improvement Plan (DIP). The presentation will demonstrate how district leaders completed a comprehensive needs assessment and created goals and strategies aligned the DIP to district board goals, indicators of success, and the district strategic plan. The DIP is a living document and will be adjusted or added to as data becomes available.
