Mr. Nick Highsmith, Superintendent
Welch Public Schools
707 S. Curtis Street
Welch, OK 74369

Dear Mr. Highsmith,

Opaal Food Management of Oklahoma, LLC would respectfully like to request that the Welch Public Schools Board of Education extend our Food Service Management agreement for the 2021-22 school year. This is the First of Four extension renewal requests allowed before another bid process is required to be initiated.

The meal rates on the following page are the result of a 3.7% escalation from the preceding year. This is based on the 12-month CPI percentage change for February published by the Bureau of Labor Statistics. We receive guidance from OSDE and other state departments on the value of each CPI increase and will keep you fully informed about the details of these increases.

Opaal Food Management of Oklahoma, LLC will fulfill its obligations under the same terms and conditions of our base year agreement dated August 1, 2020, along with any subsequent amendments to said agreement. Please contact me if you wish a representative from our staff to be available prior to and/or during the school board meeting at which the renewal is discussed.

We hope this information is helpful to you and look forward to providing Welch Public Schools with the highest quality food service for the 2021-22 school year.

Sincerely,

Adam Eckert
Manager of Financial Analysis
