Re: Middle School Report

- Bully prevention week activities were well received
- The Oct 27th activity night and costume contest was a huge success. The students raised \$1800 for Food For Kidz and collect 5 boxes of food for the Waverly food shelf.
- Veterans Day program will be Friday Nov 10th at 9:30. Thank you Dr. Kuehn for organizing this.
- Our Extended School Day program will begin on Nov.13th to support students who have failed a first quarter core class.
- Our partnership with Central MN Mental Health has worked well. Students in need of therapy receive weekly support here at school. We also continued our arrangement with Keystone Counseling for those students previously referred.
- Staff are very pleased and grateful that the referendum passed! A special thank you to the board members for all of their efforts in making this happen.

If you have any questions about these activities or anything else, please feel free to contact me.
