

May 7, 2026

Dear Mr. Inglis and Members of the Foley School Board:

I am writing this to formally resign from my position as Head Girls Track and Field Coach at Foley Public Schools at the end of the 2026 season. After 27 years heading this program and 32 total seasons of coaching track and field, it is time for me to pursue other activities during the spring season. It has truly been a wonderful experience, and I thank the many athletes, parents, fellow coaches, administrators and school board members over the years who have given support and been part of the adventure to help make this program a success.

Sincerely,
Becky Rasmusson
