The Parties agree the following terms and conditions will apply to the administrative services, deliverables, and intergovernmental transfers provided by Anchor under the Contract, in consideration of certain payments to be made by HHSC to Anchor.

1.0 Purpose

The Waiver authorizes the State of Texas to establish a Delivery System Reform Incentive Payment (DSRIP) program. Texas has 20 RHPs whose members may participate in DSRIP. Each RHP has one governmental entity, designated by HHSC that assists HHSC in coordinating RHP activities. The designated governmental entity is referred to as the “Anchor.”

The purpose of this Contract is to delegate certain administrative functions associated with the Waiver from HHSC to Anchor. The administrative functions, further described in Section 5.0, Statement of Services to be Performed, relate to Waiver implementation within the Anchor's RHP. The Contract also provides a corresponding mechanism for HHSC to use federal Medicaid matching funds to make certain matching payments to Anchor for the performance of the administrative functions.

2.0 Term and Termination

The Contract is effective October 1, 2012, and will expire at midnight September 30, 2016, unless sooner terminated or extended pursuant to the terms and conditions of the Contract.

The Parties agree the terms and conditions of the Contract shall remain in effect and continue to govern except to the extent expressly modified in writing and duly executed by the Parties.

3.0 Contract Elements

The Contract between the Parties will consist of this cover document, and

- (A) Attachment A, Cost Principles for Expenses for the 1115 Waiver (attached hereto and incorporated as **Exhibit A**) and all amendments thereto (hereinafter referred to collectively as "Cost Principles");
- (B) HHSC Uniform Contract Terms and Conditions, Version 1.4.1 (attached hereto and incorporated as Exhibit B) or most the current version, located on the HHSC web site (www.hhsc.state.tx.us/about_hhsc/Contracting/rfp_attch/General_TC.pdf), and all amendments thereto (hereinafter referred to collectively as "Uniform Terms and Conditions"); and

In the event of a conflict or contradiction between or among the Contract elements identified above, the documents will control in the following order of precedence: (1) this cover document, (2) Uniform Terms and Conditions, (3) Program Protocol, and (4) Cost Principles.

4.0 Anchor Commitment and Understanding

In entering into this Contract, Anchor has had the opportunity to review and understand the HHSC requirements and objectives, as stated in:

- (A) Program Protocol, dated May 29, 2014; and
- (B) Special Terms and Conditions for the Waiver (STCs), as attached to the Centers for Medicare and Medicaid Services (CMS) approval letter to HHSC dated December 12, 2011, and subsequent approval of the Administrative Cost Protocol, dated May 29, 2014.

Based on such review and understanding, Anchor represents and warrants it has the capacity to perform the administrative functions in Section 5.0 and to meet requirements and objectives, in accordance with the terms and conditions of the Contract.

5.0 Statement of Services to be Performed

HHSC delegates to Anchor the administrative functions listed below with respect to the RHP for Demonstration Year Two through Demonstration Year Five (that is, October 1, 2012, through September 30, 2016), as those terms are defined in the STCs. The administrative functions delegated by HHSC to the Anchor are described as follows:

- (C) The provision of RHP data management for purposes of evaluation;
- (D) The development and facilitation of one or more regional learning collaborative;
- (E) Communication with stakeholders in the region, including the public; and
- (F) Communication on behalf of the RHP with HHSC.

The administrative functions listed above may be more fully detailed and defined by HHSC, working in conjunction with Anchor.

Anchor will perform the above administrative functions for the Waiver as an allowable Medicaid administrative activity necessary for the proper and efficient administration of the State Medicaid Plan for Texas, under the authority of section 1903(a)(7) of the Social Security Act.

6.0 Intergovernmental Transfer

To the extent Anchor performs the administrative functions described in Section 5.0 above (under the auspices of HHSC as referenced in Section 4.0 herein), HHSC may, in its capacity as the State Medicaid agency and in accordance with the applicable cost principles under Office of Management and Budget, Circular A-87, claim expenditures related to Anchor's performance of the administrative functions, at the 50 percent federal Medicaid matching rate specified at 42 CFR 433.15(b)(7).

The total matching amount Anchor will transfer to HHSC under this Contract will equal 50 percent of Anchor's costs for providing the Section 5.0 administrative functions described above, per federal fiscal year (FFY). However, Anchor may not submit costs per FFY to HHSC hereunder in excess of the lesser of:

- (A) \$2,000,000 or
- (B) 2.5 percent of Anchor's RHP DSRIP allocation per FFY.

Anchor may submit a request for additional funding above the maximum to support additional transformation activities for the RHP. Requests for additional funding require approval by HHSC and CMS.

Anchor will perform an intergovernmental transfer (“IGT”) of funds to HHSC twice per year. The IGT transfer must be made in conjunction with Anchor’s submittal of semi-annual invoices as described in Section 7.0.

After drawing the related federal Medicaid match, HHSC will transfer certain federal funds, within a reasonable time and subject to Section 8.0 below, to the Anchor for administering and performing Section 5.0 administrative functions.

7.0 Semi-Annual Periods for Cost Accumulation and Reporting

Anchor will submit invoices to HHSC, in accordance with the Cost Principles, with respect to costs of performing administrative functions under Section 5.0 above, for each six calendar-month period (Invoice Period). The following table defines the Invoice Period for each year of the Contract and the Invoice Period due date. Each invoice is due to HHSC no later than the date listed in the table.

Invoice Period	Invoice Period Due Date
October 1 through March 31	May 15
April 1 through September 30	November 15

Anchor may submit its costs for performing Section 5.0 administrative functions for Demonstration Years Two and Three, as those terms are defined in the STCs, as part of its initial invoice submission to HHSC. Anchor’s invoices will be accompanied by Microsoft Excel spreadsheet files that provide details sufficient to support each invoice total, in a format provided by HHSC (Supporting Detail). Each invoice will include Anchor’s costs for performing Section 5.0 administrative functions incurred during the Invoice Period, as allowed by the Cost Principles.

8.0 Term of Payments to Anchor

HHSC shall make two payments each calendar year to Anchor, after:

- (A) receipt of the invoice and Supporting Detail from Anchor;
- (B) receipt of the appropriate IGT funds from Anchor;
- (C) review of the invoice and acceptable Supporting Detail by HHSC; and
- (D) drawing the related federal Medicaid match payment by HHSC.

ARTICLE 1. PURPOSE

CONTRACTOR must create, receive, maintain, or have access to information about HHSC programs and/or its clients for HHSC program benefits and services, as described in the Base Contract. This information is deemed confidential under the Base Contract and state and federal law. CONTRACTOR acknowledges the sensitive and confidential nature of this information and agrees that it will take all necessary and reasonable measures to preserve and protect the confidentiality, privacy, security, integrity, and availability of the HHSC information.

The purpose of this DUA is to facilitate creation, receipt, maintenance and access to Confidential Information with CONTRACTOR, and clarify CONTRACTOR’s obligations with respect to the Confidential Information. This DUA expressly describes the limited purposes for which the CONTRACTOR may create, receive, maintain, or have access to Confidential Information, and establishes CONTRACTOR’s rights and responsibilities concerning the information. This DUA also describes HHSC’s remedies in the event of CONTRACTOR’s noncompliance with its obligations under this DUA.

As of the Effective Date of this DUA, if Article 10, Section 16.01 of HHSC’s UNIFORM TERMS AND CONDITIONS conflicts with this DUA, this DUA controls.

ARTICLE 2. DEFINITIONS

For the purposes of this DUA, the following terms below have the meanings set forth below.

Section 2.01 ***Definition of Confidential Information***

- (12) Information identified in Attachment 6 attached to this DUA and to which CONTRACTOR specifically seeks to obtain access for an Authorized Purpose.

Section 2.02 *Other Definitions*

For the purposes of this DUA, the following terms have the meanings set forth below.

“Authorized Purpose” means the specific purpose or purposes described in the Scope of Work of the Base Contract for Contractor to fulfill its obligations under the Base Contract, or any other purpose expressly authorized by HHSC in writing in advance.

“Authorized User” means a Person:

- (1) Who is authorized to create, receive, maintain, have access to, process, view, handle, examine, interpret, or analyze Confidential Information pursuant to this DUA;
- (2) For whom CONTRACTOR warrants and represents has a demonstrable need to know and have access to the Confidential Information; and

“Business Associate” means a Person or organization, other than a member of HHSC’s workforce, that performs, on behalf of HHSC, certain functions, activities, or services that create, receive, maintain, have access to or transmit Protected Health Information (“PHI”) such as without limitation activities listed in the HIPAA definition and regulation of Business Associates. CONTRACTOR and CONTRACTOR’s Subcontractor(s), to the extent applicable to the Base Contract, are “Business Associates” of HHSC for purposes of this DUA, if a Business Associate subcontracts part of its business associate function requiring the Subcontractor to create, receive, maintain, have access to or transmit PHI, except to the extent Contractors are on an HHSC site and treated as Workforce or are conduits as described by HIPAA. “Business Associate” excludes a mere conduit that does not require access to PHI. Business Associates are entities, for example and without limitation and to the extent applicable to the Base Contract: entities that provide data transmission services to HHSC and require access on a routine basis to PHI; entities that offer a personal health record on behalf of a covered entity; a Subcontractor, if a business associate subcontracts part of its

Business Associates do not include entities, for example and without limitation and to the extent applicable to the Base Contract: a telecommunications company or mail courier without regular access to PHI. The meaning, application of and regulation of Business Associates are more fully described in the HIPAA Privacy, Security and Breach Regulations.

“Breach” means any unauthorized acquisition, access, use, or disclosure of Confidential Information in a manner not permitted by this DUA, the Base Contract or applicable law. Additionally:

- (1) **HIPAA Breach of PHI.** With respect to Protected Health Information (“PHI”) pursuant to HIPAA Privacy and Breach Notification Regulations and regulatory guidance, any unauthorized acquisition, access, use, or disclosure of PHI in a manner not permitted by the HIPAA Privacy Regulations is presumed to be a Breach unless CONTRACTOR, as applicable, demonstrates that there is a low probability that the PHI has been compromised. Compromise will be determined by a documented Risk Assessment including at least the following factors:
 1. The nature and extent of the Confidential Information involved, including the types of identifiers and the likelihood of re-identification of PHI;
 2. The unauthorized person who used or to whom PHI was disclosed;
 3. Whether the Confidential Information was actually acquired or viewed; and

With respect to PHI, a “breach,” pursuant to HIPAA Breach Regulations and regulatory guidance excludes:

- (A) Any unintentional acquisition, access or use of PHI by a workforce member or person acting under the authority of HHSC or CONTRACTOR if such acquisition, access, or use was made in good faith and within the scope of authority and does not result in further use or disclosure in a manner not permitted under the HIPAA Privacy Regulations.
 - (B) Any inadvertent disclosure by a person who is authorized to access PHI at HHSC or CONTRACTOR to another person authorized to access PHI at the same HHSC or CONTRACTOR location, or organized health care arrangement, as defined by, in which HHSC participates, and the information received as a result of such disclosure is not further used or disclosed in a manner not permitted under the HIPAA Privacy Regulations.
 - (C) A disclosure of PHI where CONTRACTOR demonstrates a good faith belief that an unauthorized person to whom the disclosure was made would not reasonably have been able to retain such information, pursuant to HIPAA Breach Regulations and regulatory guidance.
- (2) **Texas Breach.** Breach means “Breach of System Security,” applicable to electronic Sensitive Personal Information (SPI) as defined by the Texas Breach Law. The currently undefined phrase in the Texas Breach Law, “compromises the security, confidentiality, or integrity of sensitive personal information,” will be interpreted in HHSC’s sole discretion, including without limitation, directing CONTRACTOR to document a Risk Assessment of any reasonably likelihood of harm or loss to an individual, taking into consideration relevant fact-specific information about the breach, including without limitation, any legal requirements the unauthorized person is subject to regarding Confidential Information to protect and further safeguard the data from unauthorized use or disclosure, or the receipt of satisfactory assurance from the person that the person

agrees to further protect and safeguard, return and/or destroy the data to the satisfaction of HHSC. Breached SPI that is also PHI will be considered a HIPAA breach, to the extent applicable.

ATTACHMENT 4. DISPOSITION OF CONFIDENTIAL INFORMATION

Section A4.01 *CONTRACTOR's Duty in General*

CONTRACTOR will return, destroy, or continue to maintain appropriate safeguards for Confidential Information, including without limitation all PHI received from HHSC or created, received or maintained on behalf of HHSC, as directed by HHSC, upon termination of the DUA or Base Contract.

Section A4.02 *Return or Destruction of Confidential Information*

- (1) CONTRACTOR agrees that on the termination or expiration of this DUA, CONTRACTOR will, at its expense, return to HHSC or destroy, at HHSC's election, and to the extent reasonably feasible and permissible by law, all Confidential Information received from HHSC or created or maintained by CONTRACTOR or any of CONTRACTOR's agents or Subcontractors on HHSC's behalf if that data contains Confidential Information. CONTRACTOR will certify in writing to HHSC that all the Confidential Information that has been created, received, maintained, used by or disclosed to CONTRACTOR, has been destroyed or returned to HHSC, and that CONTRACTOR and its agents and Subcontractors have retained no copies thereof. Notwithstanding the foregoing, CONTRACTOR acknowledges and agrees that it may not destroy any Confidential Information if federal or state law prohibits such destruction.
- (2) If such return or destruction is not reasonably feasible, or is impermissible by law, immediately notify HHSC of the reasons such return or destruction is not feasible, and agree to extend indefinitely the protections of this DUA to the Confidential Information and limit its further uses and disclosures to the purposes that make the return of the Confidential Information not feasible for as long as CONTRACTOR maintains such Confidential Information.

ATTACHMENT 5. GENERAL PROVISIONS

Section A5.01 *HHSC commitment and obligations*

HHSC will not request CONTRACTOR to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under HIPAA if done by HHSC.

Section A5.02 *HHSC Right to Inspection*

At any time upon reasonable notice to CONTRACTOR, or if HHSC determines that CONTRACTOR has violated this DUA, HHSC, through its agent, will have the right to inspect the facilities, systems, books and records of CONTRACTOR to monitor compliance with this DUA. For purposes of this subsection, HHSC's agent(s) include, without limitation, the HHSC Office of the Inspector General or the Office of the Attorney General of Texas or other designee. HHSC's failure to inspect or failure to detect any noncompliance with the DUA or through its agent's inspection does not relieve CONTRACTOR of its responsibility to comply with this DUA.

Section A5.03 *Access to PHI*

CONTRACTOR will make available to HHSC any information HHSC requires to fulfill HHSC's obligations to provide access to, and copies of, PHI in accordance with HIPAA and other applicable laws and regulations of Confidential Information.

Section A5.04 *Term of DUA*

This DUA will be effective on the date on which CONTRACTOR executes the DUA, and will expire on the date specified in the DUA.

- (1) Either party may terminate this DUA at any time upon 30 days written notice to the other party.
- (2) HHSC may immediately terminate this DUA on:
 - (A) A material violation of this DUA. "Material" means:
 - (i) any violation by CONTRACTOR of a material term of this DUA will be considered a breach of contract if the CONTRACTOR knew of or reasonably should have known of the violation and failed to immediately take reasonable steps to cure it and notify HHSC, as required by the DUA;
 - (ii) CONTRACTOR fails to timely notify HHSC of an Event or Breach, or take corrective action required;
 - (iii) CONTRACTOR's repeated or flagrant violation of the obligations under the DUA;
 - (iv) CONTRACTOR's failure to respond to a demand letter concerning penalties under the DUA or Base Contract;
 - (v) CONTRACTOR being named as a defendant in a criminal proceeding for a violation of HIPAA, or other applicable laws and regulations of Confidential Information; and/or
 - (vi) a finding or stipulation that CONTRACTOR has violated any standard or requirement of HIPAA other laws and regulations of Confidential

Information; or other security or privacy law in an administrative or civil proceeding which CONTRACTOR has been joined.

- (vii) If neither termination nor cure is feasible, HHSC shall report the violation to the Secretary.
- (3) Termination of this DUA will not relieve CONTRACTOR of its duties with regards to the return or disposition of the Confidential Information as set forth in this DUA.
- (4) **Termination Options.** If HHSC determines that CONTRACTOR has violated a material term of this DUA; HHSC may in its sole discretion:
 - (A) Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; and/or
 - (B) Require CONTRACTOR to submit to a Corrective Action Plan under Article 14 of the Base Contract, plan for monitoring and plan for reporting, as HHSC may determine necessary to maintain compliance with this DUA; and/or
 - (i) Provide CONTRACTOR with a reasonable period to cure the violation as determined by HHSC; or
 - (ii) Terminate the DUA and Base Contract immediately, and seek relief in a court of competent jurisdiction in Travis County, Texas; and
 - (iii) Before exercising any of these options, HHSC will provide written notice to CONTRACTOR describing the violation and the action it intends to take.

Section A5.05 *Publication*

CONTRACTOR may not publish or otherwise disclose to a third party any results of work under the DUA or Base Contract unless HHSC expressly approved in writing of such disclosure in advance of such publication.

Section A5.06 *Governing Law, Venue and Litigation*

- (1) The validity, construction and performance of this DUA and the legal relations among the Parties to this DUA will be governed by and construed in accordance with the laws of the State of Texas.
- (2) The Parties agree that the courts of Travis County, Texas, will be the exclusive venue for any litigation, special proceeding or other proceeding as between the parties that may be brought, or arise out of, or in connection with, or by reason of this DUA.

Section A5.07 *Injunctive Relief*

- (1) CONTRACTOR understands and agrees that HHSC may suffer irreparable injury if CONTRACTOR or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.
- (2) CONTRACTOR further agrees that monetary damages may be inadequate to compensate HHSC for CONTRACTOR's or its Subcontractor's failure to comply. Accordingly, CONTRACTOR agrees that HHSC will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

- (3) The duties of CONTRACTOR or its Subcontractor under this DUA survive the expiration of this DUA until all the Confidential Information is destroyed or returned to HHSC, as required by this DUA.

Section A5.08 Indemnification

To the extent allowed by law without establishing a sinking fund, CONTRACTOR will indemnify, defend and hold harmless HHSC and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHSC) or other members of its workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by CONTRACTOR or its employees, directors, officers, Subcontractors, or agents or other members of its workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insurer, and continues to apply even in the event insurance coverage required, if any, in the DUA or Base Contract is denied, or coverage rights reserved by any insurance carrier. Upon demand, CONTRACTOR will reimburse HHSC for any and all actual and direct losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys' fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party to the extent caused by and which results from the CONTRACTOR's failure to meet any of its obligations under this DUA. CONTRACTOR's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

Section A5.09 Insurance

Upon the request of HHSC, the CONTRACTOR must confirm that they either have commercial insurance or self-insure to the extent necessary to cover any liability arising from this DUA.

Section A5.10 Fees and Costs

Except as otherwise specified in this DUA or the Base Contract, including but not limited to requirements to insure and/or indemnify HHSC, if any legal action or other proceeding is brought for the enforcement of this DUA, or because of an alleged dispute, contract violation, Event, Breach, default, misrepresentation, or injunctive action, in connection with any of the provisions of this DUA, each party will bear their own legal expenses and the other cost incurred in that action or proceeding.

Section A5.11 Entirety of the Base Contract

The Base Contract consists of this Business Associate Agreement and the Base Contract and constitutes the entire agreement between the parties. There are no understandings or agreements relating to this DUA or the Base Contract that are not fully expressed therein and no change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced. To the extent of any conflicts exist between this DUA and the Base Contract, this DUA controls.

Section A5.12 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to HIPAA, or any other law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHSC and/or CONTRACTOR remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHSC and CONTRACTOR to comply with HIPAA or any other law applicable to Confidential Information.
