Elementary Touchpoints

March Board Meeting, 2024

Kindergarten registration went well! We will continue to reach out to those on our census list that were not able to attend to both welcome them to the district and

I Love to Read month is in full swing! Welcoming guest readers into our classrooms, book battles, mystery readers, reading bingos, and new locations to use our dedicated reading times are just some of the activities happening on campus.

Winsted's 1st and 2nd grade students will share their musical talents on Thursday as they present Barnyard Moosical. It's a fun, high energy program that the students have been excited to prepare.

Winsted's School of Excellence celebration will take place March 21 in the morning. We are excited about the opportunity to share our hard work and good news!

Winsted PTA hosted their first movie night and it was a solid success. Attendance was approximately 100 students/families, and they look forward to hosting again in the future. Their next event is Bingo on April 5.

Humphrey PTA will host a movie night to kick off spring break—March 21, in the Humphrey gymnasium. They also have a volunteer night happening on April 11 to support classroom/teacher needs.

Both groups continue to be very active and supportive within the life of our school communities and we're appreciative of the bridges and connections!

Title I Family event will be April 9, hosted at Humphrey Elementary and will include all families that receive supports in Title I services across the district—Humphrey, Winsted, St. James and Holy Trinity. We are going to have a "Glow Party" and have some fun & creative math and reading activities to support family learning.

Respectfully submitted—

Jen Olson
