## Superintendent's School Board Report – April 20, 2025

“Chart. Navigate. Anchor.

We are here to help our Students.....

Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and Anchor Themselves In Our Community.”

### CORRESPONDENCE

**Community Engagement/Input Meetings** – I will be holding the next community engagement meeting on Wednesday, April 22 from 5:30-7pm. Dinner will be served, and I will be sharing the results of our past engagement activities with parents and the community. This will also serve as the first/next input meeting on a potential bond for the May 2027 election.

**STEAM Night** – 80 people were in attendance for our Science/Technology/Engineering/Art/Math Night. Several stations were set up to experience these subjects, and fun was had by all!

### BOARD

**Aaron's Work** – This month Aaron has been working on staffing issues, the Family Academy, ODE reporting, the orchard and its grant requirements, budget preparation, and staffing issues.

**Individual Board Member/Superintendent Meetings:** Please set a time.

### STUDENTS/ACADEMICS

**Enrollment** – Enrollment has gained just a little since last month. We have 107 students at PHS (21 of those are Family Academy) and 123 at Driftwood (21 of those are Family Academy) for a gain of 2 students overall, at our new level of 230 students.

**Family Academy** – We now have 42 students enrolled in this program. We are at capacity for the year and will no longer be accepting transfers from the building. We will be holding 2-3 informational meetings this spring to share the program with other prospective students/families. We do expect our enrollment in this program to grow by 10+ students. We have combined a new secretarial support position for this program with the open District Secretary position, and will be interviewing for this in May.

### STAFF

**Professional Development:** Friday PD activities for this month include: Individual Time, District work as well as time spent to align curriculum for consistency and effectiveness, K-12.

## BUDGET

**Budget Update** – Nothing new from the State. We are starting our own Budget process this month with our first Budget Committee Meeting set prior to the Board Meeting.

## FACILITIES

**Bond Work** – Aaron and Tara have had initial meetings with companies that will help us through this process with the financial planning, project management and publicity needs. These were initial meetings and will result in one or two more community input meetings this spring to help prepare the community, and gather input on acceptable projects and bond levy amounts.

## DISTRICT EVENTS/HAPPENINGS

**Community Engagement Session** - Wednesday, April 22, Driftwood, 5:30-7pm
