Dear Members of the Board, Dr. Wise, and Center Cass School District,

I am writing to inform you of the difficult decision to resign as the District Nurse of CCSD 66 and nurse at Lakeview Junior High for the upcoming 2026-2027 school year.

Being the school/district nurse has been one of the best jobs I ever have had. I was hoping this was my forever home, but unfortunately, my journey has a different path.

The relationships I have built with the students, parents, staff, and community is something I will always hold close. I have been honored to care for the students to give the best support and care during my time at Center Cass. I will truly miss the smiling faces of the students every day.

I appreciate the opportunity I have been given to serve in the district for the past 4 years

I am hoping to stay as a substitute nurse for any future needs of the schools for the future.

With gratitude,

Jennifer Peterson
