

Administrative Contract Addendum

Montabella Community Schools hired our new Superintendent, Andrew Alvesteffer, with a requested start of 07/13/2026. When creating his contract, the Board of Education, put the 07/13/2026 as the official start date. However, the fiscal year begins 7/1/2026 which results in seven less work days.

As a result, Montabella Community Schools will need to modify the original contracted salary amount by seven days. The original amount of \$125,000.00 will be reduced by \$3,365.32 for an annual salary of \$121,634.68.
