

Agenda Item IE3 – Instructional Time Discussion

July 9, 2026

Purpose: Executive Order No. 26-06 from the Office of the Governor dated April 15, 2026 prioritizes and preserves student instructional time. It requires school districts to restore lost instructional time by the 27-28 school year. It also defines “student instructional time.” A copy of the executive order is attached.

Molalla River School District submitted the required information to ODE on May 22. The report is attached.

We have not had to restore any time because we did not lose any instructional time.
