RE: Intent to Retire

Attn: Administration

Respectfully, I give my notice of retirement as of June 11th. Initially I had desired a part-time position with the Title I Program for the 26-27 school year, but upon reconsideration, it seemed unlikely that job sharing was feasible. I've enjoyed my time at Driftwood Elementary and have gained a great deal of appreciation for the challenges associated with teaching. I've taken pride in being a part of the educational system and hope to maintain a relationship with a few of the staff members.

A note of gratitude on behalf of Ms. Lisa Wendell. As Principal, Ms. Wendell has a warm and generous spirit, is a hard-working disciplinarian and versatile in her job. It was a true pleasure working under her supervision. Driftwood Elementary is very fortunate to have her leadership. I wish everyone at Driftwood, and the entire district, every success in their endeavor to enlighten the children of Curry County!

God bless you all, thank you and be safe!
