

MADISON SCHOOL

Battle of the Books is here!

All are welcome to come and watch our students compete on Thursday, April 16th at 6:00 p.m.! Teams have been studying hard and we are excited to have a great BOB night!

Honoring our great paraprofessionals!

For paraprofessional appreciation day, there were special notes and treats for paras as well as a book of positive messages from grateful students. Their jobs can definitely be more “behind the scenes”, but the difference they make is easy to see!

K-Kids run a stuffed animal drive for Shining Star!

K-Kids collected many stuffed animals for students struggling with traumatic experiences and supported Shining Star. We are so proud of the empathy and generosity they are learning towards others less fortunate!

Students encouraged to do their best on IAR testing!

Students had special treats in their classroom and special dress up days each day of testing. We also gave out many positive office referrals to recognize students trying their best. We are so proud of their learning and their effort!

Madison Music Madness is coming!

Our annual music extravaganza will be on Thursday, April 30th with a 4th grade show at 5:30 and a 5th grade show at 7:00. Each class decides what they'd like to share leading to a great variety of vocal, instrumental, and other creative ways they highlight the great things going on in music class. We'd love to have you join us!
