Memo

To: Board of Trustees
From: Debbie Denney, Business Manager/Board Clerk/Treasurer
CC: Rob Sauer, Superintendent
Date: June 8, 2026

Through the 25-26 school year we have completed utilizing the bond funds for the High School Improvement projects. The Idaho State Treasurer Local Government Investment Pool account (LGIP) that held the funds has a zero balance and is no longer needed to stay open. I will be submitting to close this account.
