Re: Principal Report May, 2017

Homedale Board of Trustees,

As we close in on the end of the school year we have a lot of fun, exciting, and important events planned. We will be finishing ISAT testing as well as MAP testing. We had our first attempt at “pre-registration” at the middle school on May 2nd and it went pretty smooth for the first time doing it. It will be nice to be able to see exactly how many kids are taking which classes prior to assigning our master schedule. It will also allow us to make sure all kids are being placed in an environment that best fits their needs. We plan on doing pre-registration with the current 9-11 students the week of May 15th. Our hope is to have all students (with the exception of new students) schedules complete and ready for them to pick up at registration in the fall instead of having them try to register in the fall.

Student Enrollment-

9 th Grade-	Male 45	Female 54
10 th Grade-	Male 45	Female 48
11 th Grade-	Male 41	Female 48
12 th Grade-	Male 34	Female 32
Total-	Male 167	Female 183

Total Students- 347

Looking Ahead this month....
