

SCHOOL BOARD AGENDA ITEM SUMMARY

July 13, 2026

SUBJECT: CONSIDER AND TAKE POSSIBLE ACTION TO APPROVE REVISIONS TO BOARD POLICY CV(LOCAL): FACILITIES CONSTRUCTION

RECOMMENDED ACTION: Discuss and take possible action to revise Board Policy CV(LOCAL) – Facilities Construction by establishing the Board approval threshold for construction contracts, including consideration of increasing the threshold from \$50,000 to \$100,000, retaining the current \$50,000 threshold, or adopting another threshold not to exceed \$100,000. Aligning the approval thresholds in Board Policies CV(LOCAL) and CH(LOCAL) promotes consistency and facilitates the district's purchasing and contracting operations.

RATIONALE: The proposed revisions to Board Policy CV(LOCAL) provide the Board with the opportunity to establish the approval threshold for construction contracts. The Board may choose to maintain the current \$50,000 threshold, increase it to \$100,000 to align with Board Policy CV(LEGAL) and CH(LEGAL), or establish another threshold not to exceed \$100,000.

Maintaining consistent approval thresholds in Board Policies CH(LOCAL) and CV(LOCAL) is recommended as best practice to provide uniform governance of the district's purchasing and construction contracting activities. This recommendation is not mandated by law, and the Board retains the discretion to establish the thresholds it determines are appropriate.

These revisions allow the Board to determine the approval threshold that best balances operational efficiency with appropriate Board oversight while maintaining consistency between the two policies.
