### Elementary Touchpoints

#### August Board Meeting, 2023

We (secretarial staff and I) are back in the offices and the buildings are shaping up nicely! A big shout out to the custodial staff as well as the secretaries for their hard work this summer and continued efforts to kick the school year off in the best way possible.

Numbers are solid in each building and we are currently staffed with the exception of a daily building sub and the potential of paraprofessional adds based on student need.

Communication was sent out last week to families announcing their child's classroom teacher and more details surrounding Welcome Days. We are excited to greet families soon!

I will be meeting with our building leadership teams to discuss the opening of the school year, the communication within and between buildings and between staff, changes legislatively, and finalizing our goals for the 2023-24 school year.

I am working with both Holy Trinity and St James to finalize the Title budgets, as well as update joint documents shared between HLWW and county to support our students experiencing homelessness and/or placed in foster care.

It's going to be a busy few weeks, but I am anticipating a great year with staff, students and families.

Respectfully submitted—

Jen Olson
