Members of the HLWW School Board,

I am writing to formally submit my resignation as Superintendent of Howard Lake-Waverly-Winsted Public Schools, effective June 30, 2025. I have accepted the superintendent position at Byron Public Schools.

This decision comes with deep appreciation for the opportunity you gave me two years ago. I am grateful you believed in me and trusted me to serve HLWW as a first-time superintendent. It has been an honor to lead this district.

Over the past two years, we have made great strides together. We built a clear and focused strategic direction. We strengthened our instructional leadership. We improved communication and rebuilt community trust. Most importantly, we kept our students at the center of every decision. I'm proud of that work!

I also want to thank each of you for your support, your guidance, and your commitment to this district. Your leadership has made a difference, and it will continue to shape HLWW's future.

I remain deeply committed to the values and vision of HLWW. I urge you to stay the course with our strategic direction and continue the momentum we've built. The work matters. The students matter.

Thank you for the chance to serve this district and community. I leave with gratitude and confidence in HLWW's continued success.

Sincerely,

Nate Walbruch
Superintendent
