- Current Special Education Count: 191
- 21 IEP's, 2 IFSP's, and 3 MDT's since last board mtg
- Autism conference was attended and lots learned
- Spring Sprints was a success and fun was had by all! A big thanks to Jill Langan for lining this up
- We received our monitoring letter from the state and it is just wording we need to fix on IEP's. We will have training from ESU 8 on this in August when school starts

A BIG thank you to Lee Richardson for driving our preschool and St Mary's elem route. He has officially retired from driving. Lee was a consistent driver that built relationships with the students on his route and genuinely cared about them. I really appreciate Lee's service.
