

## MADISON SCHOOL

### Annual Talent Show a big success!

The evening of Thursday 2/12, we held our annual Talent Show and saw many incredible performances! There was also an art show where students could showcase their amazing skills! Many thanks to Mrs. Hansen and staff volunteers who make this great experience available to our students!

## **Band Fest was a blast for Madison students!**

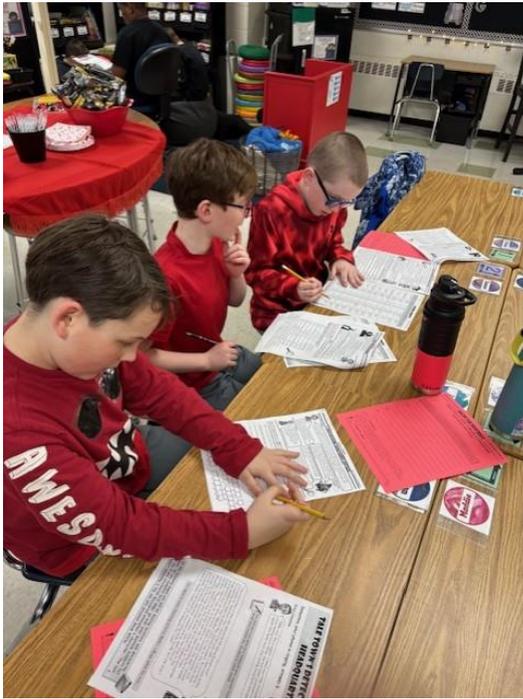

On Friday 2/13, our students participated in the 4<sup>th</sup> annual Band Fest. Madison students went over to DHS in the afternoon to have fun with RMS and DHS band students and to prepare a piece to perform that evening. They were so excited and put on an incredible performance! Kudos to Mr. Hansen and the DPS band department for going above and beyond to build excitement for music and creating a great experience for our students!

(The 5th grade combined band shows their stuff!)

## Fun had by all at our Valentine's Day parties!

Our Valentine's parties were held February 13<sup>th</sup> and we were appreciative of the many family members that could attend. Pictured below are Mrs. Bork's students navigating a Valentine's day escape room and Ms. Goff's students sharing a silly fun Valentine's picture!

## Celebrating the End of 3<sup>rd</sup> quarter

Our 3<sup>rd</sup> quarter celebration was a reptile assembly! Our teachers and students had a great time! We last had this assembly two years ago and the response was so great, we decided to repeat it with a new bunch of students. The reactions were priceless!

## Continuing to support positive attendance!

During the month of February, classes got to post a selfie each time their class met their daily attendance goal (a favorite of students and teachers alike). The two classes with the most selfies at the end of the month get to pick a representative to pie Mr. Sagel in the face!

## Engaging families and building community!

As part of our school improvement efforts, our Building Leadership Team (BLT) committed to hosting 4 family engagement events this school year. So far, we have held a family picnic day during lunches, a family movie night, and mostly recently, a family game night on Thursday 3/5. We had a variety of games, food, and a chance to be together as a school family. We're so appreciative of all the support, attendance, and excitement for these new events. We are also grateful to our high school helpers (especially Mrs. McPhillips' cheerleading team)! In the 4<sup>th</sup> quarter, we will have a Pastries with Parents event to wrap up the year!
