

Hitchcock Independent School District
BOARD OF TRUSTEES

Meeting Date: June 22, 2026

Presented by: Dr. Darryl J. Henson, Superintendent of Schools

Subject: 2025-2026 Preliminary STAAR/EOC Results

Information Item

BACKGROUND INFORMATION:

During April and May 2026, the Texas Education Agency administered the STAAR to students across grades 3–8 and high school End-of-Course subjects. The preliminary district- and campus-level data files were made available to district leadership in late May 2026. This preliminary data provides a crucial, early snapshot of student performance, standard mastery, and growth across the district. The purpose of this item is to present the preliminary results to the Board of Trustees, highlighting areas of celebration and identifying specific targets for upcoming instructional planning. It is important to note that these figures are administrative and subject to minor adjustments by the state prior to the release of the final TEA accountability reports later this summer.
