Sixes, OR 97476

District Mailing Address
P.O. Box 8
Port Orford, OR 97465

July 2026–District Technology Update

The July update is not as substantial because I was out for 3 weeks on vacation.

We have met our Cybersecurity PACE Requirements with the help of Justin from the ESD and have completed the submission.

I have received the Chromebooks from Family Academy. I need to go through and check my records so that we have all the ones that were loaned out. I am also working on creating a list of the students who need to be billed for missing equipment.

I am still missing 2 teacher laptops, but in the meantime, I am working on updating and performing maintenance on the ones I have.

Bonita, the District Office, and I are working on implementing PowerSchool's SPED program now that we, as a district, are no longer able to use SEAS.

The Phishing education company is on hold until we can meet and talk about budgeting it into our environment.

Working on cleaning up users who are no longer with us on our server, as well as in Google.

Working on adding to our asset list, along with surplus technology we no longer need/support.

New Projects

Power School SPED Implementation
Chromebook Update
Teacher Laptop Update

Ongoing Projects

Verkada Cameras and vape sensor installation
Cleaning up the Server Room
Inventory - Deprovisioning Chromebooks & Rotating in new Chromebooks
Working on continuing to block AI in classroom settings
Updating Web Filtering Policies on Chromebooks/Workstations
