In Kindergarten the district attendance policy for students K-12 is, " Students will be allowed 8 excused absences via parent call in including up to 5 absences for mental or behavioral health illness of the student, from school. Once a student has reached \* days absent (excused), all other absences will be considered unexcused unless a note from a medical professional is provided or the student is checked by the school nurse. Nothing other than a documented illness will be considered excused once a student has reached parent call in absences."
