

Bridgman Girls Basketball Camp Proposal

In an effort to try to help the girls basketball team grow in their basketball playing ability as well as grow together as a team.

Where: Grand Valley State University

When: June 23-25

Who: Bridgman Girls Basketball Team

Coaches: Michelle Foxworthy & Cassandra Rodriguez

Players: Approximately 12 players

Cost: Our goal would be to offer the camp for \$136.50 for campers and the rest (\$100 per camper) would be covered by the Girls Basketball budget.

Reasoning: This is a great opportunity for the girls to bond together at camp while also getting in a lot of games in the short few days. This will improve team chemistry and increase our playing knowledge and abilities.
