

AGENDA

ITEM

GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of Resolution #26-16 Authorizing Membership in the TASB Energy Cooperative.

RATIONALE:

Joining the TASB Energy Cooperative will allow the District to leverage statewide purchasing power to stabilize utility budgeting, manage energy market volatility, and procure energy services efficiently. There is no fee to join the Cooperative; the District only commits to specific energy supply contracts if it chooses to accept a future pricing offer presented through the program.

RECOMMENDATION:

It is recommended that the Board of Trustees approve the resolution to join the TASB Energy Cooperative and authorize the Superintendent or his designee to execute the necessary Interlocal Agreement.

CONTACT PERSON(S):

Paul M. Trevino, Assistant Superintendent
