Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: Helios Ed/Core, Droplet, Docusign.

We are seeking records from 2022 to now that reflect the pricing structure of any such engagement, including (if available), per-unit costs, subscription or licensing terms, and/or implementation fees.

Records we are looking for include:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

We are glad to accept records in whatever format your office finds easiest to produce, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records already maintained by your office

To the extent any portion of the requested records is exempt from disclosure, we ask that the remaining non-exempt segregable portions be released.

This request is being submitted for commercial purposes. We are willing to work within whatever procedures Gurnee SD 56 uses for handling such requests, and are happy to clarify, narrow, or adjust the scope to reduce the burden on your office.

Records can be sent to my colleague Jonas Elder, who manages record intake for The Data Branch, at the following:

Email: jonas.elder@thedatabranch.com

Phone: (302) 585-3132

Address: [1111B S Governors Ave STE 21033, Dover, DE 19904](#)

We appreciate your help and look forward to a prompt response. If this request belongs with another agency or department, please forward it to the appropriate custodian or let us know. Thank you for your cooperation.

Best regards,
Ethan Carter
The Data Branch

Good morning,

Attached are the records responsive to your FOIA request.

After reviewing our records, Gurnee School District 56 located records only for DocuSign. We did not locate any responsive records for Helios Ed/Core or Droplet.

The responsive DocuSign records are attached for your review.

Please let me know if you have any questions.

Thank you,

Aurora Orozco
