

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** April 15, 2024

**AGENDA ITEM:** McCall Playfield Improvements - 2023 Bond

**PRESENTER:** Chris Campbell, Chief Facilities and Construction Officer

### **BACKGROUND INFORMATION:**

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Funds were included and approved in the 2023 Bond Program that provided for the repair and improvements to playgrounds across the District.
- The playfield at McCall has a significant slope from the building to the field area. The slope is eroding from weather and overall high foot traffic. This creates a scenario where safety is a concern due to the depressions and ruts created by these elements.
- The district plans to make improvements to grading and ground covering on the sloped portion of the field.
- To ensure best pricing and value, the District is using a cooperative purchasing method to obtain pricing for this initiative.
- Administration plans to bring this item for action in May 2024, complete with final pricing and selection of a vendor.
